

**Effective Date: August 31, 2025**

**CUSTOMER AGREEMENT**

This agreement (the “**Agreement**”) sets out the terms and conditions governing your use of the Bivo Service (the “**Service**”). You may access the Service through our Partner’s website (the “**Bivo Partner Website**”). As used herein, the terms “**Bivo**”, “**we**,” “**us**,” and “**our**” mean Bivo Inc. “**Partner**” means an independent third-party company that has entered into an agreement with Bivo to make the Service available to its customers through the Bivo Partner Website. For clarity, the Partner is not an agent, representative, or affiliate of Bivo, and Bivo is not responsible for any products, services, or information provided by the Partner outside of the Service. “**You**” and “**your**” means the person who is using the Service to transfer funds from your Bivo Account to a destination outside the US as permitted by us. “**Bivo Account**” means the individual that has qualified for and is entering into this Agreement for the use of the Service.

- d. You will not be violating any laws or regulations by registering with us, entering into or by performing any part of this Agreement, or by otherwise using the Service;
- e. You are not an agent acting for an undisclosed principal or third party beneficiary. - f. You consent to having your – and to the extent relevant, your authorized signatory’s – details including confidential personal information and financial information, collected by Bivo and provided and used by us for the purpose of the provision of the Service to you.
- g. You are fully aware that the Service is operated by Bivo at the Bank’s direction and subject to the Bank’s rules and procedures and that Bivo is operating as a service provider to Bank.

Bivo Partner Website.

**3. Identity Verification Process.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires the Bank to obtain, verify and record information that identifies each person to whom we provide certain types of services. What this means for you when you use our Service we will require you to provide your name, physical address, unexpired U.S. government issued photo identification, U.S. Taxpayer Identification number, date of birth, phone number, and email address (for individuals), and/or the name, physical address, U.S. Employer Identification Number (EIN) and incorporation number (for companies), and other information that will allow us to identify you (the "**KYC/KYB Information**"). KYC/KYB Information may also include, without limitation, your documents of incorporation and bylaws, as well as and where relevant, the U.S. passport, U.S based driver's license, or other U.S. government issued photo identification document of your principals, key executives, beneficial owners and other authorized users of the Service. We may also contact you with additional questions and periodically ask you to re-confirm these details.

**4. General Description of the Bivo Service.** The Service enables the transmission of funds to recipients ("**Recipients**"). Funds are transmitted to Recipients via electronic funds transfer, wire transfer or other electronic methods. The Service, as described herein, may be amended by us at any time, upon notice, as set forth above. Moreover, we retain full discretion to refuse to accept any user or to complete any instruction to send money (a "**Transaction**") at any time.

**5. Compliance with Office of Foreign Assets Control ("OFAC") and Other Sanctions.** All U.S. persons, including U.S. banks, bank holding companies, and non-bank subsidiaries, must comply with OFAC's regulations. This means that we may institute a hold on your account or your funds, if you are a Specially Designated National, fall into the scope of a country-based sanction program or within other applicable sanctions programs (including non-US sanctions programs).

**6. Unlawful and Other Impermissible Use.** You agree not to use the Service for any unlawful activity, and we reserve the right to investigate any suspicious activity or in response to any complaints or reported violations. When investigating any such activity, we reserve the right to institute a hold on your account or your funds, to report suspected unlawful activity to any appropriate regulatory or similar authority or person and to provide such authority or person any relevant information, including personal data.

**7. Multiple Registrations.** Multiple registrations are prohibited. You may register only once, and each user must maintain a separate registration. If we detect multiple active registrations for a single user, we reserve the right to merge or terminate the registrations and refuse you all continued use of the Service without notification to you.

**8. Payment Methods.** We only accept payment for your transfer via ACH Pull Direct Debit, or, if you choose to initiate the transfer of funds from Your Bank Account, an ACH Push or Wire Transfer. No other payment methods are accepted, including cash, mailed check, or electronic check.

**a. Payment by ACH Pull Direct Debit**

- i. If you choose to pay for your transfer using our ACH Pull direct debit feature, you will need to provide your bank account details, including your bank account number and routing number (each such bank account is deemed "**Your Bank Account**").
- ii. When you choose to pay for your transfer using our ACH Pull direct debit feature and provide Your Bank Account details, you represent that Your Bank Account payment details are correct, that you are authorized to access and transmit funds from Your Bank Account, that Your Bank Account is in good standing with the account-holding financial institution, and that you have the authority to initiate an electronic funds transfer in the amount at issue to or from Your Bank Account.

- iii. When you choose to pay for your transfer using our ACH Pull direct debit feature and by providing Your Bank Account details and requesting a Transaction, you authorize us to initiate electronic credits and debits to Your Bank Account through the automated clearinghouse (ACH) network in order to process the requested Transaction, including any applicable fees and charges.
  - iv. Your authorization shall remain in effect for any Transaction that you have authorized while a registered user with the Service unless canceled in accordance with this Agreement.
- b. **Payment by Wire or ACH Push.**
  - i. If you choose to pay for your transfer using the ACH Push or domestic wire transfer method, then your payment order will remain inactive until we receive your funds (the “**Deposit Payment**”) to our specified account.
  - ii. Deposit Payments must be made to our specified account via ACH Push or domestic wire transfer. If for any reason your Transaction is cancelled or refused, then we will promptly return the deposit to the account from which it originated. In the event that we are unable to return the deposit, then we will promptly contact you using the most current contact information provided to us by you through your Servicer registration.

## 9. **Exchange Rates.**

- a. The “**Transaction Amount**” is the amount that you send from Your Bank Account in an ACH Pull direct debit or the Deposit Payment in an ACH Push or wire transfer, minus any applicable fees and prior to any foreign exchange conversion.
- b. We always disclose the exchange rate applicable to your Transaction prior to you authorizing a Transaction. We and our service providers usually make money based on the difference between the exchange rate at which we buy foreign currency and the exchange rate provided to you.

For the purposes of this Agreement, “**Business Day**” means any day, other than a Saturday, Sunday, federal or New York state holiday, on which the Bank’s offices are open for business.

**10. Transaction History.** You can access the details of all your Transactions and other information relating to your use of the Service by logging into the Bivo Partner Website (at [www.bivocash.com](http://www.bivocash.com)) and selecting an option from navigation bar called “International Remittance”.

**11. Refused Transactions.** We reserve the right in our sole discretion to refuse any Transaction. Reasons for refusal may include but are not limited to an inability to match your registration information with your bank account details, incorrect Recipient details, an insufficient deposit amount or where processing the Transaction may cause either of us or any of our affiliates or Bivo to breach applicable laws. We generally will attempt to notify of you of any refusal, using the contact information provided as part of your registration, stating (where possible) the reasons for the refusal and whether the problem can be corrected. We will not notify you of a refusal where to do so would be unlawful.

**12. Cancellation of Transactions.** For individual accounts, you may cancel your Transaction for a full refund within 30 minutes of authorizing your Transaction if the Transaction has not yet been picked up or deposited.

## 13. **Fees.**

- a. **Transaction Fees.** We charge a fee on every Transaction. Fees relating to the Transaction are fully visible to you before you accept the Transaction. Further information on our fees may be published on the Bivo Partner Website ([www.bivocash.com](http://www.bivocash.com)). The Transaction Fee is deducted from the Transaction Amount prior to conversion. Transaction Fees do not include any fees that your bank

or the Recipient's bank may charge. Those fees may be deducted from your deposit (in the case of your bank) or the delivered amount (in the case of Recipient's bank).

- b. **Administration Fee.** An Administration Fee may be incurred when your Transaction is refused due to incorrect payment details, regulatory requirements or any other reason. (This fee is in addition to any amount your bank or the Recipient's bank may assess.) Any Administration Fee will be deducted from your Transaction Amount. We currently do not charge an Administration Fee.

**14. Service Providers.** We use agents and service providers to help us deliver the Service to you. For example, Bivo manages the Service on our behalf as our service provider. Among other functions, Bivo provides customer service and other functions and arranges delivery of funds to Recipient abroad. Regardless, all services provided by Bivo or other agents or service providers are performed at our direction and subject to our supervision and control.

**15. Errors and Compromised User Credentials.** Once Transactions have been executed, they cannot be reversed, and, except as expressly set out in this Agreement, we will not be liable in any way for any loss you suffer as a result of a Transaction being carried out in accordance with your instructions. **If you believe there to be an error in connection with a Transaction or other problem as set out in this Section, then you should notify Bivo Support at support@bivocash.com or (844) 888-2486.**

- a. For funds transmitted to Recipients located in other countries. If you think there has been an error or problem with your transfer, you must contact Bivo Support no later than 180 days of the date we promised to you that the funds would be made available to the Recipient. When you do, you must disclose to Bivo the following information: (1) Your name and address; (2) The error or problem with the transfer, and why you believe it is an error or problem; (3) The name of the person receiving the funds, and if you know it, his or her telephone number or address; (4) The amount of the transfer; and (5) The confirmation code or number of the Transaction.

The law generally requires an investigation and determination as to whether an error occurred within 90 days after you contact Bivo Support. Bivo will inform you of its determination within three business days after completing its investigation. If Bivo decide that there was no error, Bivo will send you a written explanation. You may ask for copies of any documents used in the investigation.

What to do if you want to cancel funds transmitted to Recipients located in other countries: You have the right to cancel a remittance transfer and obtain a refund of all funds paid to Bivo, including any fees. In order to cancel, you must contact Bivo Support at the email or phone number listed above within 30 minutes of payment of the transfer.

When you contact Bivo Support, you must provide Bivo with information to help identify the transfer you wish to cancel, including the amount and location where the funds were sent. Bivo will refund your money within three (3) business days of your request to cancel a transfer as long as the funds have not already been picked up or deposited into a recipient's account.

- b. For electronic funds transfers transmitted to Recipients located within the U.S. In Case of Errors or Questions About Your Electronic Transfers Telephone us at the number listed above or write us at the email address listed above as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. If your Transaction history shows Transactions that you did not initiate, please contact Servicer Support at once to let us know. Servicer Support must hear from you no later than sixty days after the date we make available to you the periodic statement in which the error appears. If you do not tell Servicer Support, you may not get back any of the money you lost after the 60 days, if we can prove that we could have stopped someone from taking the money had you told us in time. When you do, you must disclose to Servicer Support the following information: (1) Tell us your name and account

number (if any); (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information; and (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

Servicer will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, Servicer may take up to 45 days to investigate your complaint or question. If we decide to do this, Servicer will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If Servicer Support ask you to put your complaint or question in writing and Servicer does not receive it within 10 business days, Servicer may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will inform you of our determination within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of any documents we used in our investigation.

- c. Tell Servicer Support at ONCE if you believe your user credentials have been compromised. Telephoning is the best way of keeping any losses to a minimum. Compromise of your credentials could allow thieves to access Your Bank Account to make unauthorized payments. If you notify Servicer Support within two Business Days, you can lose no more than \$50 if someone uses your use credentials without your permission. If you do NOT tell us within two Business Days after you learn of the compromise of your credentials, and we can prove we could have stopped someone from using your credentials without your permission if you had told us, you could lose as much as \$500. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods set out in this Section.

**16. Limitations of Liability.** Neither we nor any of our agents, affiliates, holding companies, subsidiaries, employees, officers, directors, service providers, or subcontractors will be liable:

- a. For losses or damages alleged to result from our failure to properly complete a Transaction (other than as just noted in Section 15 above);
- b. For losses or damages alleged to result from our delay in completing a Transaction;
- c. If, through no fault of ours, you do not have enough money in your Bivo Account or have not timely deposited sufficient funds with us to make the Transaction;
- d. If your system or device was not working properly during your use of the Service or the Bivo Partner Website and you knew about the breakdown when you started the Transaction;
- e. For errors made by you or a Recipient, such as making a transfer to an unintended person or transferring an unintended amount;
- f. For errors by your bank, such as the provision of incorrect bank account information for Your Bank Account;
- g. For losses or damage arising from your misuse or inability to use the Bivo Partner Website, whether due to reasons within our control or not;
- h. For losses or damage to you from our inability to complete a Transaction because we are prohibited by law or for losses or damage caused as a result of actions taken due to our obligations under

applicable law or order; or

- i. Due to circumstances beyond our control (such as failure or interruption of telecommunications or data transmission systems) that prevent or affect the Transaction, despite reasonable precautions that we have taken.

We may not notify you of such Change unless required by law. In the event that there is a Change which happens during the time which we have agreed to perform a Service for you but the Service has yet to be fully completed, the original terms and conditions (prior to any such Change) shall apply until such Service has been fully completed or has been cancelled or terminated in accordance with this Agreement, **except** where a Change is required by applicable law to take effect sooner. For the avoidance of doubt, any Change relating to the addition of a new service, extra functionality or any such change which we believe in our reasonable opinion neither reduces your rights nor increases your responsibilities shall be deemed to be effective immediately.
